Tokyo Ohka Kogyo Co., Ltd.

8th Update on the impacts of the “2016 Kumamoto earthquakes”

We, Tokyo Ohka Kogyo Co., Ltd. (TOK) group would like to express our sincerest sympathy to those who have suffered from the “2016 Kumamoto earthquakes”.

TOK announces that the impacts of series of the strong earthquakes are updated as follows:

1. Regarding the damages

Manufacturing facilities:

No serious damage has been found to our Aso plant buildings and facilities.

We have resumed production with the electric company’s permanent power supply switched from the emergency power generators.

2. Financials:

Impact on our financials is estimated to be minimal. The 2017/3 forecast will be released on May 10.

3. Others:

The infrastructures including logistics are gradually returning to normal. However, the aftershocks are still continuing and we are running under cautions.

The entire company is working together for the earliest full restoration from the earthquakes. We appreciate your continued understanding and cooperation.
